## Galley Report Watch your emails!

Greetings and salutations shipmates!

Alot of positive things have happened over the year at the club.

Over the year we have had a very successful crab feed, GVR, sailing season as well as progress at all areas of the club from the south dock, to the galley, the clubhouse with the north lot as well as the grounds.

As we are in the wet months, please check your blushes, dock lines and your fellow shipmates active or not. We all have projects, problems and solutions as a whole.

I am very happy to see the club moving forward in all aspects and we can count on each other to stay afloat.

We have had an Edd and flow of members, mostly flow due to our fabulous membership committee as well as member recommendations and support.

## VICE COMMODORE REPORT Clare Harmon

Sailing season was a blast and I was so happy to be involved on the S/V Wayward Wind as my work schedule allowed.

I did my best also be involved with as many meetings as possible and with our differing opinions still glad we can move forward with the fence among a plethora of other hot topics.

I have been so happy to see many extra events at the club including but not limited to potlucks to still have activity on Wednesday evenings, other holiday socials, guest chef nights and help when it's needed between members.

Furthermore, I will ask for any and all help available for GVR this upcoming year between volunteers, sponsor recommendations and general camaraderie to make it a weekend to remember for years to come. Please contact the office or myself directly for any questions.

Thank you all for another fruitful year at our lovely Vallejo Yacht Club as we continue to grow for many years to come.

Respectfully,
Clare Harmon Oxo

## Club Cruising for 2024

Summer is over, so it is time to start planning the VYC cruising destinations and schedules for 2024. Noble Brown, long the lord of VYC cruising, has retired from this function, and with many older members having sold their boats, we need new cruisers, new members, and those interested in expanding their sailing horizons around the Bay, to the Delta, and off the coast.

Jay Lund is developing a cruise schedule below. We would like to involve as many people as possible in the cruises and cruise leadership. Please sign up for some cruises on the Club bulletin board or contact Jay Lund jrlund113@gmail.com. Looking forward to seeing everyone on the water.

## VYC CRUISE OUT SCHEDULE 2024
